WHY IS THIS REPORT USEFUL?

The report **Open Items Payables By Posting Date** provides a consolidated view of payable transactions filtered by posting date, enabling users to track open and closed liabilities for accurate payables management. With filters for Year/Month, Vendor, Due Sign/Due Band, and Open/Closed Status, teams can prioritize payments, monitor aging, and reconcile accounts payable.

CUSTOMER BENEFITS

Payables Aging Analysis: based on payment due date.

Focused insights: filtering by posting period (months/years).

Streamlined reconciliation: separation of open and closed items.

Full transparency: access to transaction data (amounts, descriptions, document numbers).

Cash flow support: assistance in managing financial flows.

WHO MIGHT FIND THIS REPORT INTERESTING

Accounts Payable Teams: monitor and schedule vendor payments.

Finance Managers: assess liquidity and outstanding liabilities.

Auditors: verify transaction accuracy and aging compliance.
